

### Love Music

*If you're planning a romantic night on Valentine's Day, make sure you have some music to match the atmosphere. Don't rely on putting your MP3 on shuffle - we all have the odd guilty pleasure that we might not want our date to hear. Take a look at our list of romantic and seductive albums that will set the mood perfectly.*

- Coldplay - X&Y

This album is slightly more upbeat than their previous albums but still has some beautiful songs; 'Til Kingdom Come' is a great example of the understated love songs on this album.

- Corrine Bailey Rae - Corrine Bailey Rae

Corrine's seductive soul voice will accompany your evening perfectly; songs like 'Breathless' and 'Trouble Sleeping' are relaxing and alluring - everything the evening should be.

- Nat King Cole - The World of Nat King Cole

The rich, warm voice of Nat King Cole couldn't be more suited for your Valentine's evening in. Classics such as 'L-O-V-E' and 'Let There Be Love' may spark a romantic sway around the kitchen or dining table.

- Ben Howard - Every Kingdom

Ben Howard's beautiful yet simplistic album isn't packed full of obvious love songs, but don't let this stop you. His eerie and enticing voice will create a wonderful back drop for your evening.

- Norah Jones - Come Away With Me

The velvet, subtle voice of Norah Jones will create the ideal ambiance; 'Come Away with Me' should be at the top of everyone's love song list.

- John Legend - Once Again

Packed full of piano accompanied love songs, this album ticks all the boxes. The debut single from this album 'Save Room' makes all the top 50 love song lists - it couldn't get more perfect than that.

- Florence and the Machine - Ceremonials

Again this album isn't an obvious choice for a romantic night in, but if you prefer something a bit more upbeat this album will suit you.

- David Grey - Greatest Hits

David Grey's greatest hits have all of his best love songs in one album; 'The One I Love', 'Be Mine' and 'Sail Away' are just a few of his amazing, captivating love songs.

- Adele - 21

As the fourth biggest selling album of all time, Adele's simply stunning 21 must have a place on this list.
