Our Leeds/Bradford property is so called because of its proximity to both of these vibrant West Yorkshire cities.

It has got its 'own' motorway, the M606, which brings guests right to our doorstep from J26 on the M62, and is less than 20 minutes from the centre of Leeds – a quicker journey than you will experience from many Leeds hotels.

It is also one of the largest independent and purpose built conference and banqueting venues in the north. It has a big reputation for large scale conferences, annual general meetings, events, exhibitions and dinner dances.

131 en-suite bedrooms and free WiFi means business guests can stay in touch with the office and stay productive. In addition, the hotel restaurant serves menus that feature as much locally sourced Yorkshire produce as possible.

Business guests also get full access to the health club, which offers a pool, sauna, steam room and, for the more energetic, a fully equipped gym.

Not only does it have its own motorway, it also has a free on-site, fully illuminated 400 space car park. Convenience counts.

Overlooking the famous 200 acre Stray parkland, our grade II listed four-star Harrogate property dates back to 1671 and sits on the site of the town’s first hotel.

Harrogate is a beautiful spa town, and our hotel is very much part of its heritage. It is centrally located, close to the railway station but also a short drive from the A1 and less than 30 minutes from Leeds/Bradford Airport.

A series of ground-floor interconnecting rooms provide multiple options for meetings, and can be subdivided with soundproof walls to create space for working lunches, refreshment breaks and syndicate breakout areas.

The property can host 350 delegates for a conference in the Cedar Suite, with a bar and patio area providing options for breakout spaces and refreshments.

The stylish Rowan Suite can hold up to 160 people: it is a natural, airy space with windows overlooking the Stray. The 90 capacity Queens Suite provides a regal setting for theatre style events or dinners.

All the rooms have free WiFi – this characterful setting also comes with plenty of comfort and convenience.

Our Huddersfield/Halifax property is a high point for the group – literally!

It has a spectacular location at Ainley Top just off the M62, midway between Huddersfield and Halifax on the high ridge that divides the towns. The views stretch out over the Pennines towards Last of the Summer Wine country.

Unsurprisingly, given its location at the halfway point between the two business powerhouses of Leeds and Manchester, it is a very popular venue for meetings. The local area is itself an important hub for manufacturing and banking.

The hotel boasts 15 conference rooms, which vary in size and can accommodate up to 400 delegates. Working lunches can be served in the conference rooms or in the Olympic Bar & Grill, and many of the rooms incorporate a breakout area. Most are also soundproofed to ensure total privacy for every event.

As is typical with Cedar Court, the Huddersfield /Halifax Business team is amongst the most experienced in the region. They will be with you every step of the way, whether you need 360 degree help with planning and delivery or just someone you can trust for a simple room booking.

Our original Cedar Court and much loved for its M1 location.

The hotel's location near the West Yorkshire/South Yorkshire border makes it an ideal base whether you are heading north up the M1 or south down it – Sheffield is less than 30 minutes away; Leeds just 20. In addition Leeds/Bradford, Doncaster Robin Hood Airports – all just an hour by car – are busy hubs for internal and international flights.

As the original Cedar Court property, it will always be a little special – it set the template for the Cedar Court way of doing things – and that comes through in the experience.

There are 18 conference and event rooms which can accommodate up to 500 delegates and can be configured for anything from a theatre-style conference to a banquet. All the main meeting rooms are fully air-conditioned, have natural daylight and free high speed WiFi.

The team is one of the most experienced you will find at any hotel. They will help you plan your event and arrange the details – such as deciding whether to enjoy a working lunch or fork buffet in the restaurant.
