

# *Welcome to all your family!*

Many of our team members are dog owners too!

So, you can trust us on this: we know that being able to bring our four legged friends along with us makes for happier nights away from home for all.

With this in mind, we have done everything we can to ensure that we can welcome and look after all of the members of your family and in order to ensure that everybody enjoys their time with us; we'll just ask you to be considerate to all and to observe a few (polite) requests.

All of our hotels enjoy extensive garden areas, and you should feel free to use them! We would ask though that all dogs be kept on their leads (and accompanied) whilst traveling through our public areas...and that naturally, you clean up any of your dog's mess from our lawns.

Dogs are not allowed in our Restaurants or Lounge/Bar areas this includes at Breakfast service; we'd prefer that you instead order Room Service, or perhaps take your morning meal 'Al Fresco' on any of our terraces? (if you are in Cedar Court Harrogate: your dog IS allowed in our Tipi for lunch & Dinner and in the area of booths just off to the left of Reception, we'll show you!).

Please do not leave your dog unattended whilst you are staying with us - we find that they don't like being left alone in a strange hotel room...and they will let the rest of us know this whilst you are out!

Naturally if your dog starts 'vocally letting you know something' (i.e., Barking) we'll ask that you be prompt in your consideration of our other guests by occupying your dog or taking them outside until they've told you everything that they have on their minds!

We will always reserve the right to require the immediate removal of any dog that displays inappropriate behaviour and in the case of any additional costs that we incur (deep cleaning, the repair or replacement of damaged facilities etc...) we will request that you cover these.

A £15.00 per dog, per night, fee will be added to your room bill.
