

Think Yorkshire, Think Cedar Court Huddersfield

Welcome to Cedar Court Hotel Huddersfield, a property which is a high point for the hotel collection – literally!

It has a spectacular location at Ainley Top just off the M62, midway between Huddersfield and Halifax on the high ridge that divides the two towns. The views stretch out over the Pennines towards Last of the Summer Wine country.

Unsurprisingly, given its location at the halfway point between the two business powerhouses of Leeds and Manchester, it is a very popular venue for meetings.

The local area is itself an important hub for manufacturing and banking. The hotel boasts 11 modern conference rooms, which vary in size and can accommodate up to 400 delegates.

Working lunches can be served in the conference rooms or in the Grill [54] Restaurant & Bar, and many of the rooms incorporate a breakout area. Most are also soundproofed to ensure total privacy for every event.

As is typical with Cedar Court, the Huddersfield business team is amongst the most experienced in the region. They will be with you every step of the way, whether you need assistance with planning and delivery or just someone you can trust for a simple room booking.
