Outstanding natural beauty, traditional heritage and culture, great cities and picturesque countryside, no wonder Yorkshire is again and again voted a world class destination.

So next time you visit choose Cedar Court Hotels, Yorkshire's largest independent 4 star hotel collection. Our well-established and much-loved collection of hotels are conveniently located across God's Own County, encapsulating the best hospitality Yorkshire has to offer.

Harrogate

Overlooking the famous 200 acre Stray parkland, the historic Grade II listed Hotel dates back to 1671 and sits on the site of the town's first ever hotel. This hotel is ideal for business and leisure.

Huddersfield/Halifax

Huddersfield's only four star hotel and one of the best-located hotels in Yorkshire. Situated just off the M62 halfway between Leeds and Manchester and with easy access to Huddersfield and Halifax, the hotel is an ideal base to work and play.

Our hotels offer modern and comfortable bedrooms, locally sourced and inspired cuisine, excellent meeting and event facilities, ample car parking and onsite leisure clubs.

Leeds/Bradford

The Cedar Court Hotel Leeds / Bradford hotel is so called because of its closeness to both of these vibrant Yorkshire cities, the M606 goes right to its doorstep.

Wakefield

The original Cedar Court Hotel. Ideally located just off junction 39 on the M1, offers landscaped gardens for alfresco dining and close proximity to Leeds and plenty of local attractions, such as Yorkshire Sculpture Park or The Hepworth Wakefield.

Business or leisure, short stay or long stay, meeting or event. Think Yorkshire, Think Cedar Court Hotels.
